QRCONNEX™
by SQHOSPITALITY

Digital Directory for Your Property and Guests

Cut costs, go green and enhance your guests' experience with the QRconneX digital directory.

No app is required. Scan a QR Code to showcase your property's amenities, services and local attractions.

Guest Connection and Enhanced Engagement

- Analytics to track guest use
- Branded for your property
- CMS offers real-time changes from anywhere
- Link to your loyalty or rewards program
- Corporate or brand parent required literature automatically included

Display the QR Code in multiple ways, including:

- On the in-room TV Startup screen
- On your digital signage displays
- At the front desk
- In-room on a printed card

Sleep
BY CHOICE HOTELS

- Welcome >
- Guest Safety >
- Food & Dining >
- Amenities >
- Hotel Info >
- TV Guide >
- Choice Privileges >
- Mobile Printing >

Out with the old:

- Paper clutter in the rooms
- Out-of-date hotel information
- High printing costs
- Staff time spent replacing materials in every room

In with the new:

+ QR Code with a permanent link to your literature
+ Quick and easy access to hotel information from anywhere
+ Freeing up your Staff for other tasks
+ An eco-friendly way to engage your guests

Enjoy SQ Hospitality's Exceptional 24/7 Customer Support .
After all, we've been providing it for over 25 years.
